EXTRACT FROM THE CERTIFIER'S RECORD (reproduced unchanged in both panels)

CR-1 Composition confirmed by the operation and its certifying agent: 82 percent organically produced ingredients by weight, excluding water and salt.

CR-2 Organically produced ingredients: oats, sunflower oil, honey.

CR-3 Ingredients not organically produced: sea salt, natural flavor.

CR-4 Certifying agent that certified the handler of the finished product: Midland Organic Certifiers.

CR-5 Largest type size on the principal display panel: 36 point.

CR-6 The operation is certified, and it is not exempt under 7 CFR 205.101.

CR-7 The handler and distributor identification appears on the information panel.

PRINCIPAL DISPLAY PANEL

OAT CLUSTERS (36 point)

MADE WITH ORGANIC OATS, SUNFLOWER OIL, AND HONEY (18 point or smaller)

INFORMATION PANEL INGREDIENTS: Organic oats, organic sunflower oil, organic honey, sea salt, natural flavor. Distributed by Kettle Row Foods, Portland, Oregon Certified organic by Midland Organic Certifiers

[Query to the operation: 7 CFR 205.304(a)(2) allows the percentage of organic ingredients on the panel, at the same one-half ceiling. CR-1 records 82 percent. The figure has not been printed, because the section permits it rather than requiring it.]
