CLAUSE IN THE CONTRACT OF SALE

The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.

[Query to the dealership: DR-6 does not say whether a service contract is made available on this vehicle.

Where one is, 16 CFR 455.2(b)(3) adds a prescribed heading and paragraph below the non-dealer warranties section and a box to mark, unless offering it is the business of insurance regulated by state law. Nothing has been added.]
