

Driver Vehicle Inspection Report

Driver vehicle inspection report, 49 CFR 396.11 | Final specimen

<https://www.editfast.com/editing-services/transportation-and-logistics/trucking-and-freight/>

A three-signature form rewritten so that each signer can tell what they are signing for.

FINAL TEXT

SPECIMEN, PREPARED BY EDITFAST FOR ILLUSTRATION. NOT A REAL RECORD.

Ridgeline Freight Lines (fictitious) - Form MT-14

EXTRACT FROM THE CARRIER'S MAINTENANCE PROCEDURE (reproduced unchanged in both panels)

MP-6.2 Parts and accessories to be reported: service brakes including trailer brake connections; parking brake; steering mechanism; lighting devices and reflectors; tires; horn; windshield wipers; rear vision mirrors; coupling devices; wheels and rims; emergency equipment.

MP-6.4 Retention: reports, repair certifications, and review certifications are held three months from the date the report was prepared.

MP-6.7 Where no defect or deficiency is found, no report is required.

MP-6.8 Every signature on a report is dated by the person signing.

FORM MT-14 - DAILY VEHICLE REPORT

Retention: three months from the date this report was prepared (MP-6.4).

Unit no. _____ Date _____ Driver's name (print) _____

Parts and accessories checked (MP-6.2). Mark each one.

Service brakes including trailer brake connections ____ Parking brake ____

Steering mechanism ____ Lighting devices and reflectors ____ Tires ____

Horn ____ Windshield wipers ____ Rear vision mirrors ____

Coupling devices ____ Wheels and rims ____ Emergency equipment ____

Defect or deficiency found? No defect or deficiency found ____ Defect or deficiency listed below ____ [Under MP-6.7 no report is required where nothing is found. Where this form is completed anyway, the first box is the entry for that case.]

Each defect or deficiency, one per line:

1. _____ 2. _____

1. Driver preparing this report. Signature _____ Date _____ (MP-6.8)
2. Repair certification. I certify that each defect or deficiency listed above has been repaired, or that repair is unnecessary, before this vehicle is operated again. Signature _____ Date _____ (MP-6.8)
3. Review by the next driver. I have reviewed this report, and it carries a certification that the required repairs have been performed. Signature _____ Date _____ (MP-6.8)
